

Aero Club of Pennsylvania

The Aero Club of Pennsylvania is one of the nation's oldest aviation clubs, founded on December 17, 1909 for the purpose of "educating the public on matters of aeronautics."

The Aero Club today:

- Funds aviation scholarships and sponsors an annual scholarship dinner
- Holds an annual December Wright Brothers Dinner
- Sponsors local fly-outs and aviation-related field trips.
- Fosters camaraderie between local aviators

\$30 Annual Membership
